

Fires can kill people and

cause painful burns

Keep things that car burn at leas 3 teet trom tireplaces and heaters.

Tell an adult if you see frayed electrical cords.

Make sure that adults blow out all candles when leaving a room.

-------

adults to not overload electrical outlets.

## Hot Things Can Be Gareful!

Stay & feet away from the stove or oven.

Use potholders when helping grown-ups cook.

Remind adults to turn pot handles to the inside so they won't get bumped off the stove.

Hot foods and drinks can burn. Have an adult test it first.

Hot bath water can burn too. Turn on the cold water first, then the hot.

## OUCH I If You Do Get Burned...

If the skin is red like a sunburn and doesn't blister, that's a suburn with

SECOND or THIRD DEGREE BURNS have bilsters or may be dark red to black. Call 9-1-1 and get to a doctor as quick as you can!

Fire Safetty Begins With YOU!
